

Program

The SECEC Elbow Fracture Symposium

Friday 30/8 2019

0800 - 0900 Welcome and Elbow the basics

Chair: Bo Sanderhoff Olsen, Denmark

- 0800 - 0815 Anatomy & Biomechanics, *Steen Lund Jensen, Denmark*
0815 - 0830 Anamnesis and clinical examination, *Stefan Grenier, Germany*
0830 - 0845 Imaging, *Akram Dakhil Delfi, Denmark*
0845 - 0900 Surgical approaches to the elbow joint, *Davide Blonna, Italy*

0900 - 1015 Elbow injury

Chair: Pierre Mansat, France & Steen Lund Jensen, Denmark

- 0900 - 0915 Humeral shaft extra articular. Osteosynthesis versus sarmiento, *Ata Can Atalar, Turkey*
0915 - 0930 Distal humeral fracture – Plating; technique and results, *Samuel Antuna, Spain*
0930 - 0945 Arthroplasty in distal humeral fractures, *Lars Adolfsson, Sweden*
0945 - 1000 Mini-battle arthroplasty or plating in elderly with distal humeral fracture, cases
Samuel Antuna, Spain & Lars Peter Müller, Germany
1000 - 1015 Discussion - cases

1015 - 1100 Coffee in exhibition

1100 - 1300 Elbow Injury

Chair: Mehmet Demirhan, Turkey & Lars Adolfsson, Sweden

- 1100 - 1115 Simple Elbow dislocation and chronic instability, *Janne Oversen, Denmark*
1115 - 1130 Olecranon fracture, *Adam Watts, United Kingdom*
1130 - 1145 Coronoid process fractures, *Alberto Schneeberger, Switzerland*
1145 - 1200 Radial head fractures, *Steen Lund Jensen, Denmark*
1200 - 1215 Complex elbow fracture dislocation, treatment strategies, *Lars Peter Müller, Germany*
1215 - 1230 Forearm complex fractures, *Ata Can Atalar, Turkey*
1230 - 1245 Mini-battle elbow fracture dislocation with cases. Internal or external fixation, cases
Konrad Mader, Germany & Steen Lund Jensen, Denmark
1245 - 1300 Discussion – cases

1300 - 1345 Lunch in exhibition

1345 - 1500 Treatment of posttraumatic elbow stiffness

Chair Denise Eyendaal, Netherlands & Janne Ovesen, Denmark

- 1345 - 1400 Etiology and conservative treatment, *Adam Watts, United Kingdom*
1400 - 1415 Arthroscopic elbow release. Indication and results, *Hans Viggo Johansen, Denmark*
1415 - 1430 Open elbow release. Indications and results, *Pierre Mansat, France*
1430 - 1445 Mini-battle. Arthroscopic or open elbow release, cases
Pierre Mansat, France & Hans Viggo Johansen, Denmark
1445 - 1500 Discussion – cases

1500 - 1530 Coffee and fruit in exhibition

1530 - 1700 Posttraumatic soft tissue injury

Chair: Alberto Schneeberger, Switzerland & Anne Kathrine Belling Sørensen, Denmark

- 1530 - 1545 The Medial side. Surgical treatment, *Denise Eygendaal, Netherlands*
1545 - 1600 The Lateral side. Surgical treatment, *Bo Sanderhoff Olsen, Denmark*
1600 - 1615 Arthroscopic instability treatment, *Roger van Riet, Belgium*
1615 - 1630 The Disaster with chronic longstanding instability. Options for treatment, *Konrad Mader, Germany*
1630 - 1645 Triceps and biceps injury treatment, *Marcus Scheibel, Germany*
1645 - 1700 Discussion – cases

1700 - 1730 Fruit in exhibition

1730 - 1900 Pediatric elbow

Chair: Hans Viggo S. Johansen, Denmark & Roger van Riet, Belgium

- 1730 - 1745 OCD, *Denise Eygendaal, Netherlands*
1745 - 1800 Distal humerus fractures, *Konrad Mader, Germany*
1800 - 1820 Proximal Radius and Proximal Ulnar fractures, *Anne Kathrine Belling Sørensen, Denmark*
1820 - 1835 Osteotomies for malunion. Individualized cutting guides, timing and results, *Lars Adolfsson, Sweden*
1835 - 1850 Discussion and cases

1900 Adjourn
